

TERMS AND CONDITIONS OF THE MASTER CLASS / EARLY STAGE RESEARCHERS CLASS / e-POSTER SESSION 7th IMSPC*

I. SUBMISSION

1. The condition for participation in the Master Class/ Early Stage Researchers Class/ e-Poster Session is a positive review of the submitted abstract, registration of the presenting author and payment of the conference participation fee.

2. The Master Class/ Early Stage Researchers Class/e-Poster Session accepts original and casuistic as well as meta- analyses of research findings.

Work should be prepared in the English language. Presentation of work in the Master Class/Early Stage Researchers Class/Poster Session takes place in the English language only. Each participant can submit up to 2 proposals.

3. Abstracts (MS Word file, pages file) should be sent by e-mail to **m.sp.poster@wsm.opole.pl**, topic "Master Class/e-Poster Session 7th IMSPC", with the following layout:

- name
- authors (full name and surname of the author/co-author/co-authors)
- the representative (full name)
- e-mail and telephone number of representative
- institution (full name of the institution to the author and each of the co-authors are affiliated, city, country)
- keywords (maximum 6 words); ; keywords should be taken from the Medical Subject Headings 2020 catalogue, available at: <https://meshb.nlm.nih.gov/search>
- summary (broken into 5 parts: introduction, aim, material and methods, results and conclusions); please do not include citations, figures, drawings and photographs in the abstract.
- abstracts should be written in Times New Roman 12 pt. font, using single line spacing

The length of the abstract (not including the title, author/ co-author / co-authors names and affiliations) must not exceed 2200 characters (with spaces) or 300 words.

4. Abstracts sent later or to a different e-mail than specified above will not be accepted.

5. Abstract submission assumes permission to present the work from all co-authors and the facility director from where the work originates. In addition, the author submitting the abstract is obliged to send, together with the text, a completed and signed consent for the publication of the abstract in the post-conference book of abstracts. This consent should be signed by all co-authors of the work on one page.

6. Authors whose submissions receive a positive review of the e-Poster Session Jury and are qualified for presentation during the Master Class/Early Stage Researchers Class/e-Poster Session of the Conference will be notified by the organisers via e-mail no later than 20 April 2020.

7. Papers based on presentations with the highest scores will be published in subsequent issues of Medical Science Pulse (MSHE 20 points; IC 100.00). The condition for the publication is that the authors send full-text works to the editorial panel of the quarterly Medical Science Pulse and obtain two positive reviews.

8. For the presentation of the work during the Congress, the author is awarded 15 educational points.

9. Submitting the summary is simultaneously an agreement by the authors to respect the Terms and Conditions.
